

LA VICALANDA

From a single shoot of a Tempranillo vine in the late 1980s, a whim of nature gave rise to the Tempranillo Blanco variety, an early-ripening grape suitable for cool areas. La Vicalanda Blanco. Made with 100% Tempranillo Blanco selected from our vineyards in one of the most privileged areas of Rioja.

TEMPRANILLO BLANCO

Elaboration Region

D.O.Ca. Rioja, Spain

Varieties

100% Tempranillo White

Vintage

2022

Analysis

Alcohol Content 13%

Contains sulfites

Viña POMAL

"Viña Pomal Gran Reserva is an elegant, high-quality red wine that reflects better than any other wine, the best of La Rioja Alta. It represents the classic style of La Rioja, faithful to its origins for more than a century. It is only produced in exceptional vintages and with a limited number of bottles"
